Post 91 Baseball Meet and Greet

The 2011 American Legion Summer Baseball Season is well underway and our Post 91 Team is off to a great start!

There have been a few hiccups with coordination of ball fields, coach availability, and maintaining players in our league so a few games have been forfeited; but even with the challenges, we've played and won several great games!

Post 91 played a double-header against Post 35's team on June 7th at Snedegar Park in Chandler. Post 91 had a GREAT SHOWING OF SUPPORT when we had about twenty Post 91 members show up to watch either the 5PM or 7PM game!! Thanks to Gary and Tim (of Industrial Shirt Shop), our Post members were decked out with American Legion Baseball POST 91 ANGELS FANS t-shirts at the game!

The coaches, players and parents were thrilled with the outpouring of enthusiasm and support from our Post! THANK YOU to everyone who has been able to attend that game or any game thus far.

Ok, I know what you're thinking ... "So, Who won?" We tied in the 5PM game and then won the 7PM game which was a great way to kick off our "MEET AND GREET" following that game. The Old Chicago restaurant at Ocotillo and Arizona stayed open late and donated several pizzas so we could invite both Post 91 and 35's teams, the coaches and their families for pizza, cookies and soda after the game. It was an amazing event! We had well over 50 people, including several of the players, their parents and all the coaches. Photos of the game and Meet

and Greet event are on-line. We had so many of the high school boys and their parents just repeatedly telling us how much it meant to them that we were there to show our support.

If you can make it to at least one game before the end of the season, please do! We have at least one pitcher that pitches around 86 mph!

Watch Facebook and the "Baseball Display" in the Post for game times and locations.

Tom Kusik of Post 35 SAL who coordinates the American Legion Baseball League for the region said this is the first time in his 7 years with the league that he's seen a Post have that many members show up to a game! CONGRATS to Post 91 for raising the bar once again by simply showing your support while still having a great time!

The season ends July 15th at which time we will know if our team makes it to the State Tournament which then might get us to the World Series. Keep watching Facebook and Quick Announcements for scores and standings!

Commander's Corner

Now that the Post elections are over and the Post's officers are installed, it is time start the New Year's business, and we need to start it off right. There are several events already in the planning mode, and we will continue to do great things for our Veterans and community... even better than last year, which was extremely successful.

We have unfortunately lost some of our Post members over the past year and decided we would come together once a year to hold a **Post Everlasting ceremony**.

While this will be a solemn ceremony, it will end up with a celebration of life ("Dancing the Decades") and will also be a positive start to a great year.

June 23rd will be Post 91's Post Everlasting Ceremony which will give us the opportunity to come together as a Post Family to remember, honor, and celebrate the lives of our members who have passed on. **The ceremony will start at 3PM.** I hope to see a full Post on the 23rd so we can remember our family members who have helped

form what we have become as a Post. We will of course be inviting the families of our fallen members, so if you know of some family members, please let them know we will be holding this ceremony. We will be sending out invitations to the families, but we would not want to exclude anyone by mistake. Details will be sent out in the quick announcements and posted at Post 91. See you there!

Yours in Service,
Stitch
Commander

Auxiliary Announcements

It's been **Crazy!!!** It started in May with the elections, then installation, the ALR Campout, and District Convention. But things can now get back to a somewhat controllable chaos.

First, I would like to thank the 2010/2011 Unit 91 ALA (American Legion Auxiliary) for all that they have done. There were a lot of good contributions made to our service men and women and their families. Thank You!!!!

Now it's time for 2011/2012 Unit 91 ALA to kick into action. We have so many exciting things coming up I find it hard sometimes to contain myself. First let me start by saying that Unit 91 ALA and Squadron 91 SAL will be pooling together their volunteer resources. This will allow us a broader base of volunteers so that we don't burn ourselves out. To quote John Heywood "Many hands make light

work".

Here are a few of the key events that we have coming up.

On July 9th we will have Casino Night. Advance tickets are on sale now for \$25, they will be \$30 at the door. This will get you two drink tickets to be used that night, a wrist band to go to the hors d'oeuvre Bar, an Event T Shirt and \$200 in gambling chips. When gambling is done you will cash your chips in for tickets to use in the silent auction. It will be GREAT FUN!

I'm sure many of you may have heard that we are working on having an **Oktoberfest** in our parking lot. This will be a post wide event including all of the entities and will be open to the general public. Net profits will go towards the support of Operations Wounded Warriors which

was started back in 2005. Please see pages 5 & 6 of this newsletter for more information about OWW and Oktoberfest. We are in the permitting stage right now so there will be more details to follow.

Starting in **September** we will be **pre-selling Christmas Trees.** We will sell the coupons so that you can take it to any one of four locations and pick out your own tree. There will be more information in the September newsletter.

I am so looking forward to this year. We have a great group of women in the ALA with a wide range of skills and when we pool together with the Legionnaires, SAL and ALR **Post 91 will ROCK!!!!.**

Unit 91 Auxiliary

A.L.R. Message

Once again we were able to get our **Annual Harley Davidson Raffle** together in time for the State ALR Campout. Ticket sales will be the same as the last two years, only 300 tickets will be sold. This year's Grand Prize will be either a **2012 Fat Boy or \$10,000.00 cash**. We will have the same second and third place \$1,000.00 prizes. Tickets are now available from any one of the Riders. We are set up to take cash, checks and Credit Cards. Credit Cards will only be taken through a member with a Smart Phone but, can be purchased through any one of the members, with a quick phone call.

We started out the month the same as all of our other post entities with our **new officers being sworn in on June 4th**. The following day we joined the Patriot Guards in an **escort to the post of one of our SAL members cousin's (Jame's) to celebrate his return from his third tour of duty**. Thank you all that joined in to welcome him home.

The following weekend Post 91 stood tall and proud at the **Annual ALR Campout held in Overgaard**. We had the most people from any post and the only visiting post with our Commander with us. Tim and Gary were along to work a vendor booth making the campout tee-shirts and kept busy the whole time.

This next weekend is the **Department of Arizona Convention** held in Cave Creek , and I am sure that we will have a good showing from Post 91 there as well.

Until next month,
Greg Smith (iknowwhy91@gmail.com)
President

S.A.L. Squadron 91

Get ready to get busy! State convention is this weekend which is the start of a new fiscal year for all American Legion Posts. Now is the time we start to put together our schedules for the year and review the programs we wish to support. It is also the time of membership renewals and as always new member prospects. I look forward to working with all the Families of Post 91 in recruiting new members. I ask that all current members please keep in mind to ask their family, friends and neighbors to join the American Legion Post 91. We are all sales people of Post 91 and have to get the word out of the great things that we do for our community, state and nation; not to mention the GREAT times we have at the Post. Anyone with questions in regards to SAL membership, please contact SAL Sr. Vice commander Tim Harvey or any SAL member for assistance.

The June 14th **Flag Day** celebration for unserviceable flags which was held at Post 35 in conjunction with Post 91 was a great success. I want to thank everyone from Post 91 that came to the ceremony in support of this tribute. I also want to say "Thank You" to Post 35 for their warm and welcome reception. As always, we will continue to receive unserviceable flags at Post 91 for next years' service.

Wanna Have a Good Time? Go to a baseball game and support Post 91 Angels. Our baseball team is awesome and what a great group of young men we have. I ask that everyone try to make a game or two and support our team. It is fun and exciting to watch. Yes, it did make me feel old and no, I can't run like that anymore. Just watching made me feel a little younger (or older). These guys are fun to be with and need all of our support. I know it's a little hot out there so bring water. Check out the calendar on our Post 91 website for dates and times and please go to a game.

New members: We have several new members join the SAL. So be sure to welcome them and introduce yourself when you see them at the Post.

Food at the Post: If you want to take a break during the HOT summer season, I recommend that you do so by not cooking dinner and going to the POST to eat. Saucy Chicks serve dinner Tuesday-Friday. I can tell you that you will not be disappointed. I have tried their burgers and wings and it was great. They also have nightly specials like the chicken quesadilla that I tried. It was even better. So take a break from cooking and come down to eat at the Post and support Toni and Kim. Plus you don't have to cook or clean. Give "em a try.

Jeff Slaboch, Commander, Squadron 91

JULY "GUESS WHO"?

Congratulations to Mel Smith for winning the June "Guess Who" by correctly guessing the person in the photo in our June newsletter. It was Jim Faltermeier.

HOW TO PLAY IN JULY? Obtain a **GUESS WHO FORM** from the bar tender and fill out the form with your guess as to **who is in the photo below**. It is one of our 2011-2012 officers so it could be a Legionnaire, Auxiliary, S.A.L. or A.L.R officer. Then place your completed form in the envelope provided, along with your minimum \$1 donation, seal the envelope and give it to the bar tender. You can guess more than once as long as a minimum \$1.00 donation accompanies each guess.

On July 15th, Commander will open all guess envelopes. If no one guessed the name of the individual in the photo correctly, all monies will go into the pot for the AUGUST "GUESS WHO" game. If one person guessed the photo correctly, they get 50% of the total monies collected. If more than one person guessed correctly, we will hold a drawing from all the winners to determine who wins the 50/50. The other half of the monies will be donated to S.A.L. and Auxiliary. **Good luck!**

OPERATION WOUNDED WARRIOR

American Legion Riders of Arizona
Chapter 129, Queen Creek

To All Americans;

The American Legion was chartered by Congress in 1919 as a patriotic, mutual-help, war-time veteran's organization. We are a community-service organization numbering nearly 3 million veterans –men & women – in nearly 15,000 posts worldwide.

MISSION OBJECTIVE: To provide items needed by service personnel in military medical facilities, and to personally welcome them home.

The American Legion thru the American Legion Riders, are now in their seventh year of asking for your help in our mission to aid our wounded young returning from frontlines of Iraq, Afghanistan and all other parts of the world.

Many of our soldiers wounded in battle may spend as long as two to three years in hospitals. This is because of surgeries and recovering from their physical injuries. Many of them are single, double and in some cases triple amputees, and/or burned (sometimes, beyond family recognition).

They can't do it alone; they need all of our help.

Since Operation Wounded Warrior was formed in 2005, we have given health, comfort and personnel items. These items are provided to our wounded and their supporting families funded by your support to Camp Pendleton Hospital, Balboa Naval Medical Center and Fort Irwin.

Your corporate, company and individual donations are used to buy needed supplies for these honored veterans.

Contributions to help our soldiers can be mailed to or submitted via PayPal.
