Commander's Corner

September has been a very busy month. We have made progress on getting the meeting room in shape (Thanks Jerry); the planning for Octoberfest (Great Job Pat and crew); September 11th memorial; Not So Bingo is fully up and running; the Honor Guard is forming up nicely; the broaster is fully installed and the Saucy Chicks are cooking up some great Broasteresque chicken; the building committee is ready to find out what type of financing we are going to be able to get; and we had a great appreciation party for Gary Pelkey for bar manager appreciation night. Thanks to all for making all these things happen. Without all your

support, they would not have been as successful as they were.

October is looking even busier, so please come out and support the Post functions and have a great time. While you are at it, please bring down some friends and family. We are continually looking for new members to grow the Post. We not only need the input of new ideas, but we also need members who will engage and volunteer to help and organize the functions and all that we do at the Post. And speaking of membership, please renew your memberships for the 2012 year. The State has set

some ambitious goals for us this year to reach 100%, so please get your dues to Gary and try to bring in some new members. It would be great to achieve 100% by the end of November. It would make for a great celebration at the Early Bird Dinner this year.

Thank you again for all your support and participation. You are **all** making Post 91 a great place to be a part of. You make it fun, and we continue to do great things for our Veterans and Veteran organizations.

Yours in service,

Stitch

Auxiliary Announcements

Pat asked me to take on this month's article while she was busy putting last minute touches on Oktoberfest. By the time you're reading this, you'll know how successful Oktoberfest was. We had volunteers from all four Post entities as well as other Posts and even non-post members involved. **Thanks so much to everyone for all your help!** And to Pat – Thank you for chairing our Inaugural Oktoberfest Event! I know it wasn't an easy job!

September and October are both just crazy busy. This past month we had 8 Post members partner with Post 35 to **run bingo at the VA Home**. This is something each post in the district does at least once a year. We had a great showing from our Post so thank you! We had a great turnout for our **9-11**

event as well! There wasn't even room to walk in the Post! We wrapped up September by attending a luncheon where 2 of our 4 boys that we sponsored for **Boys & Girls State** last year gave **presentations** about their experiences.

Auxiliary Membership for 2012 is doing very well and we are already at **57%** of our goal with 67 members which is ahead of schedule! **If you have not paid your 2012 dues, please give them to me or to the bartender and I will get you your card!** Don't forget about the A.L.A. recruiting contest as well. Be sure to put your name on the back of any application forms for folks you recruit so you get credit for bringing in a new member! Don't forget about your children and grandchildren! Let's get

more junior members signed up as well. They are the future of our Post.

A.L.A. will be placing a drop box in the Post to collect items for **goodie bags** that we will be filling and taking to the veterans in the **V.A. Home on Veterans Day**. We want to fill at least **50 bags**. We need individually wrapped snack items such as nuts or crackers, pudding or apple sauce packs, hats, pins, puzzle books, pens, pencils, any small item that can be placed in 10x10 bags that you feel those in the home would enjoy. Non-Alcoholic beverages like O'Douls are a hit as well.

Supporting our troops, our family and our freedom,

Gina Soutiere
1st Vice President

Membership Report

Membership is growing as normal. We are currently at 110 or **52%** of our 2012 legionnaire membership goal which is ahead of schedule.

Thank you all for your continued recruiting. We have very nice members at Post 91.

Gary Pelkey, Senior Vice

S.A.L. Squadron 91

Does anybody know what time it is?

Where did this year go? It is hard to imagine that it is October already. Time for Fall Conference and getting ready for all of Post 91 upcoming activities. Let's start with Fall Conference on October 28, 29, 30. SAL meeting date is Oct. 29, 2011 at the Carefree Resort in Carefree, Arizona and starts at 9:00 sharp. The Post 91 SAL had a great membership showing at the June conference and I hope that we can get even more members to show up for this one. The weather will be cooler and it is important to see all the good things that get done. I ask all SAL members to show up at this meeting and let's show 'em how Post 91 rolls. If you have any questions please see me or Tim Harvey for details. Put this date in your calendar and I'll see you there.

I was amazed with the immediate support from several Post members in regards to the G.I. Josh program. Once the story is told of how we buy these cute little stuffed dogs with camouflage bandanas

To hand out to soldiers who are being deployed for their small sons or daughters at home. The dogs become a great talking point when the soldiers get a chance to call home or write a letter. You know "How's Josh doin'? Is he being Good? Is he keeping you company? etc. I want to say a big "Thank You" to Ernie, Will and Tina all who stepped up and donated money to the GI Josh program. I hope to take this great cause to the next level soon and have it be a Post wide event. More details will come once I get done with Oktoberfest. (By the time you read this Oktoberfest will be over) I would like everyone know that the G I Josh Program has been such a great success that it is now going to become a National program. (Can you say awesome?)

I have been watching the last few days and am I'm sure you have too. Jerry Willwater has been working on the meeting room and it is starting to take shape. "Thank You Jerry".

Membership is always going to be mentioned when I write these little notes. We need to keep our Eye on the ball and always recruit new members for the Post. I also want to remind everyone to renew their 2012 membership cards (You know who you are) and please, please, please contact Tim Harvey or myself to update any contact information. Also there are contact update sheets on the podium at that Post and just fill it out and give it to the bartender. You can also contact me at jeffpost91@gmail.com

Until next month I wish you all a Blessed Day.

Jeff Slaboch
SAL Commander

A.L.R. Message

September is behind us and the temperature is dropping.

Please help me welcome and support our new officer; – Sgt. at Arms, Ernie Ponicki and our newest rider, Scott Hurler.

Thank you to the Post members that accompanied us, thru the dust storm, to Post 117 for their Casino night and steak fry. With these members, we totaled 31 people, and were warmly welcomed upon arrival. We will have to have you all come along again sometime.

The raffle bike is in our hands and we're selling tickets fast, so don't miss out on your chance to win; only 300 tickets will be sold! Raffle tickets are available from any ALR member, and at the bar. Yes, you can even put it on a credit card!

The get to know your post maps will soon be back, and it's fun for all. Buy a map from the bartender and get out, seeing our state and meeting some great folks in other posts. Please buy at least one drink and tip your bartender. Map sale proceeds benefit Veteran Rehab Centers in Tucson, Phoenix, and Prescott.

We continue to look for opportunities to serve veterans and their families on the local level, where we can shake their hands and see their smiles, and have some fun along the way!

ALR 91 President

SICK CALL

Bob Jordon, Legionnaire, Bob is doing well in the Hospice program and really appreciates visitors and all those Post 91 members who have been picking him up and bringing him by the Post.

Dave Moreland, Legionnaire, was in a near fatal motorcycle accident and is still in Osborn Scottsdale Hospital. Another Post 138 rider, Barry, was also critically injured and is in the same hospital. Please keep both of these men and their families in your thoughts and prayers.

CALLING ALL POST 91 DOG LOVERS!!

Are you looking for new ways to support vets?

Do you want to get outside for some fresh air?

Tired of leaving your dog at home when you're fund raising at the Post?

Post 91 will have a booth at this this year's Woofstock event in Chandler! We are looking for volunteers to work in the booth and participate in the fun! We will be selling doggie "Support our Troops" T-Shirts and bottles of water to help raise money for the G.I. Josh Dog program. We will also be recruiting new members and seeking business sponsors who might want to help support our Post and our Programs in the future. A volunteer sign-up sheet will be on the Guest Book podium or you can e-mail Betsy Jo at fairnuff@aol.com to let her know you want to help.

The City of Chandler gives all proceeds from the Woofstock event to the American Service Animal Society, a 501 (c) 3 dedicated to enabling disabled veterans to live a more productive life through the use of service animals. What a great cause!

There is registration for the event on-line at www.dogs4vets.org. You and your dog (or team of dogs) can participate in the fund raising walks and stop by the Post 91 booth as well! There is a \$20 advance fee per walking team (\$25 day of event) for one of 3 distances: 3.5k, 1k or 400 meters.

Hope to see you and your Fido's!
