## Commander's Corner

Elections are quickly approaching for all entities. Nominations are currently going on, so please give consideration for supporting the Post in a more involved way. I will not be running for Commander this year, but I would like to say Thank You to the E-Board and to all of you for making the Post what it is today. We have done some very good things over the past couple years and many more good things will be done in the years to come. support, they would not have been as successful as they were.

The June General meeting will be an open meeting, so any of the members of all the entities may participate. We typically have only one representative from the WA, SAL, and ALR due to limited space. It would be great to have a full meeting room this month.

The Newsletter has once again started up, so please extend a huge Thank-You to Leo Gabryelski for stepping up and taking on both the Newsletter and Web page. These two communication tools are extremely

important to keep all of you informed and it takes a lot of work to keep up.

Thanks Leo!

Yours in Service,  
Stitch

## Auxiliary Announcements

Greetings from Unit 91. The Unit has been busy the last three months. In February we held a very successfully Pocket Flag Folding Party where we folded 300 Pocket Flags and stuffed them in into bags. The flags will be send to troops who are deployed. February also was our annual Valentines rose and bag sale. THANK YOU to everyone who supported us. A towel drive was held during the month of January, along with Unit 35, that were taken to StandDown.

In March we had an Easter Egg stuffing party along with the SAL's. Over 1100 eggs were stuffed with trinkets for the annual Easter Egg hunt at ICAN. Members from the entire Post family and guests participated in both 'stuffing' parties. In

addition, 4 Unit members interviewed 5 outstanding Girls State candidates from Hamilton High School. They had a tough time ranking and selecting the Girls State delegates and alternates. They got the job done. THANK YOU!

April brings reporting time, Girls State Orientation and the Vets Helping Vets picnic. Melynda Smith, the Unit's master crafter, made goody bags for the staff at Erie School. National Teacher Day is the first week of May.

May brings the election of officers. Mark your calendar for Sunday, June 10 at 2 p.m. Installation of the Post Family officers.

Membership -- We are at 114%!!! THANK YOU to everyone who has paid their

2012 dues and who have promoted membership in our Unit and the American Legion Auxiliary. If you know of someone who has not paid their 2012 dues, please ask them to pay. Let's bring home that first place award this year for the Unit having the highest percentage over the previous year's membership percentage.

TAPS – Elizabeth Swindler passed away April 15 after a long illness. She was a Charter Member of Unit 91 and a Past President. Our prayers and thoughts go out to her husband Delmar and her family.

If you are not receiving emails from me, please send me an email and I will add you to my distribute list.

## May Update

Greetings Fellow Squadron 91 Members,

If you don't know by now, the regular S.A.L. meetings take place on the third **Wednesday** of each month starting at 6:00PM at the Post. For those that attend and become involved thank you! For those who rarely attend and those that have never attended a meeting, I encourage you to become more involved and learn how you can help to support the various S.A.L. charities.

May is here and that means it is once again time for S.A.L. elections. Nominations began in our April meeting and will continue in the May meeting with the voting to take place in the May meeting as well. I encourage all S.A.L. members to attend the May meeting to take part in electing the officers for 2012-2013. Installation of the elected S.A.L. officers will take place during the Post 91 Installation ceremony (in early June) watch for the exact date and additional details.

Squadron 91 Membership as of April is at 109%. Congratulations and welcome to our newest members! Look for the new and transferred member names to appear in next month's newsletter.

A committee of five was formed to update our very out-dated Squadron By-laws. Look for these updated By-laws to be communicated to all members within the next couple of months for review. My hope is to have these adopted and in place no later that August 2012.

The Department of Arizona Annual Convention takes place at the Carefree Resort from June 21st – June 24th. The S.A.L. portion of the convention starts on Saturday June 23rd. at 8:30am in the Cholla I Ballroom. Anyone planning on attending this year's convention must be registered in advance. If you have not registered and plan to attend please email me as soon as possible.

I have ordered and received a small supply of current S.A.L. Handbooks. If you would like a new copy they will be available in our May meeting.

# A.L.R. Message

What great weather we have this time of year, it's just perfect for a ride! If you want to join us sometime, just check our window at the post or the calendar on our web site to see when and where we're going.

After our meeting on Sunday March 18, we supplied the lunch fixins for a lunch bar-b-que with the Veterans of the MANA house, Sally's Place, and Mary Ellen's Place. Don't know who they are? Ask a 91 rider, we'd love to tell you about them. I bet you can even learn about them online!

The ALR riders of District 12 participated Sunday, March 25, in the American Legion Legacy Run which began and ended at Chesters HD. The ride was a scenic route thru Superior – Kearney. This Legacy Run raised money to cover the college expenses for the children of U.S. service members killed on active duty on or after Sept. 1, 2001.

There are a lot of good people doing good things out in the community, come out and help us support them. Chances are that we're gonna have a good time!

The "get to know your posts" maps are here!!! Buy a map from the bartender and get out, seeing our state and meeting some great folks in other posts. Please buy at least one drink, tip the bartender, clean-up after yourself and thank them for their hospitality, because THWR. Map sale proceeds benefit Veteran Rehab Centers in Tucson, Phoenix, and Prescott.

David Baker  
ALR 91 President
