# Commander's Corner

WOW October was a busy month, from a special bus tour/birthday celebration, Sunday Fun Day and a Halloween Bash!! Post 91 isn't slowing down either. As we drive into November be sure to look for the details of just a couple events below -

- 1) The Marine Corps birthday celebration will be on Sunday the 9th. Stay tuned for more details.
- 2) Veterans Day where there will be a ceremony at the Valley of the Sun cemetery that morning and of course our annual Veterans Day steak dinner will be starting later that day. Come on down and show your support and participation.

Our community and veterans are a vital asset. On this Veterans Day it is important to remember to pay tribute to all American veterans—living or dead—but especially give thanks to living veterans who served their country honorably during war or peacetime. The brave men and women who serve and protect the U.S. come from all walks of life; they are parents, children and grandparents. They are friends, neighbors and coworkers, an important part of our family and their communities.

For God and our Country  
Semper Fidelis and Happy 239th birthday Marines  
Mike Simon

# Auxiliary Announcements

Happy November!  
The Auxiliary has been busy selling jello shots (Thank you Sara) for breast cancer research. In addition, Kim sold pink ribbons, for breast cancer. Hope you all are able to support the Auxiliary bake sale that will be held on November 1. Unit 91 has some AWESOME bakers! All proceeds go to breast cancer research, too.

Fall Conference is fast approaching; several Unit members will be attending. Members will be coming back full of knowledge.

Tickets for the AR 15 gun are available. \$10 for 1 or 3 for \$20. Tickets can be

purchased from an Auxiliary member.

Veteran's Day is right around the corner. Ceremonies will be taking place throughout the Valley. There will be a ceremony at the Valley of the Sun Cemetery; it is always a moving ceremony. Hope you are able to attend.

If you haven't seen the flags hanging on the goal posts and window, check them out. The 'Honor a Vet' flags will be hung up throughout the Post through Veterans. The Auxiliary is selling them for \$2 each. Take a moment to write a special message, thank a branch of

the military, thank the veterans in your life, etc.

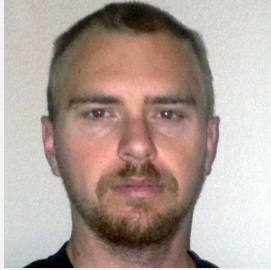

For God and Country,  
Barbara White  
President

## S.A.L. Squadron 91 News

October just flew by, was a busy month. Squadron 91 will be sponsoring 2 families for Christmas again this year like we do every year.

Squadron 91 is looking for more members to volunteer and help out. We need members to help out with Bingo, Queen of Hearts, and all the other various activities Squadron 91 does. We have over 150 members with only a handful doing 99% of the work. Being part of the Squadron is about helping men & women who have served and their families. The only way we can do this effectively is with the help of you as a Squadron 91 member stepping up and offering your time to assist/lead.

Queen of hearts is still going strong last I checked the jackpot was over \$6,000! The drawing is held every Wednesday at 7PM. We still have the pull tabs machine with prizes up to and some times more than \$250!

I still have some officer positions opened if you are willing to help out with the Squadron it would be greatly appreciated and some of the existing officers who are doing double duty I am sure would appreciate it.

The end of the year is only 1 month away. What that means is you need to make sure you are current on your membership. If you have not already paid your 2015 membership make sure you do before time runs out.

If you know anyone or any groups that needs our help please do not be afraid to ask, Squadron 91 is always available to assist in any way we can.

Thank you,  
Aaron Beauvais

## **THURSDAY NIGHT FOOTBALL SQUARES**

In order to raise funds for the American Legion Auxiliary charities, we will be having a Thursday Night Football Squares Fundraiser. The proceeds from this fundraiser will be split between Auxiliary Unit 91 and the Auxiliary charities.

### **How It works:**

- \* 100 squares on a grid - Numbers 0 - 9 on horizontal (home team) and 0 - 9 vertical (visiting team)
- \* Last number of score for home and visiting team results in winning square (half time and final score)
- \* \$50.00 per square for the entire season (That is less than \$3.25 per square, per week)
- \* 16 game season

### **Payout:**

***\$40.00 for 1st half score***

***\$60.00 for final score***

Win just once to get most of your entire season's payment back! 2 winners per week!  
If a square has not been bought, no payout is given.

### **FUNDRAISER RULES**

1. \$50 each for a square for the entire season.
2. Participant's money & information will be collected by the Auxiliary Unit 91 team.
3. Participants will have the same square in the grid for the entire 16 games, however, score numbers will change from week to week.
4. Squares #1 - 100 will be sold for \$50.00 each and assigned to the buyer for the entire season.
5. A drawing for each week's home and away numbers will be held Saturday, August 30, 2014. The numbers for each team will change each week, thereby creating new numbers & new chances for each participant.
6. Auxiliary will send out the grid for each week, by email the weekend before the start of the season. A complete notebook with all of the grids will be kept at the club.
8. Payoff will be determined by using the last digit of the score for each team.
9. Payoff will be **\$40 for the first half score and \$60 for the final score**. On Thursday night, after the conclusion of the half or the game, the envelopes will be labeled for pick up or distributed if the winner is present. If the score falls on a square that has not been sold, no payout is given.
10. An email will be sent out each Friday, listing the winners from Thursday night's game.

### **Do the Math:**

\$50 for 16 weeks = only \$3.12/week

2 payoffs per week x 16 weeks = 32 chances to win!
