Commander's Corner

The new year has started off big and I want to continue the momentum as we roll into the coming months. Remember our Post is a place for family and friends and opens the door for potential new members to see what we do and what we are all about. First impressions are everything and when people walk through the door we want them to leave and continue to talk about what a great experience they had.

With that being said I want to share something with you - Across the nation, veterans are frequently asked to recite the 114-word Preamble to The American Legion Constitution. While each phrase is important, few in the 92-year-old document capture the essence of what it

means to be a Legionnaire more than the last 12 words - "To consecrate and sanctify our comradeship by our devotion to mutual helpfulness. Whether it's giving gifts at Christmas to a veteran family in need, donating money to a worthy cause, gathering items for an organization or an individual veteran in need, it's what we do. A Legionnaire is a Legionnaire. It's not only the right thing to do, it's our sworn duty to come to the aid of Legionnaires and veterans in need. It's that simple. I truly believe that this resonates throughout our Post everyday and I'm humbled by not only the fact that I can be a part of this organization, but lead our Post. I may not be a man of many words but this month and

as we carry into 2015 I believe this will hit home and keep us on our path in showing our veterans and our community who Post 91.

As always keep your eyes and ears to the ground as we continue to put together amazing events and have fun. I will continue to look for volunteers, ideas and events so please feel free to contact me if interested.

THANK YOU to all Auxiliary members who volunteered during 2014 activities, programs and events. What you do to support our Legion family is worth all the mention anyone can give you.

Auxiliary continues to deliver birthday cards to our deserving veterans at the Arizona State Veterans

Home.

We have members who are recovery from surgery, who are facing surgery, who have lost a loved one or who are facing a hardship, please keep them in your prayers and reach out to them with your kindness and thoughtful words.

And as always, please keep our Military in your heart and prayers to protect them and keep them out of harm's way. Remember to thank our

Military men and women, and their families for the selfless acts they perform each and every day to serve our Country so that we can have and enjoy our freedom.

For God and Country
