Commander's Corner

First, I would like to thank the officers and committee members of the 2014-2015 Executive Board for all their time, everything that they have done and their willingness to service our veterans this Post and their families. There were a lot of amazing contributions made to show what the American Legion truly stands for and one of the many reasons why we are here.

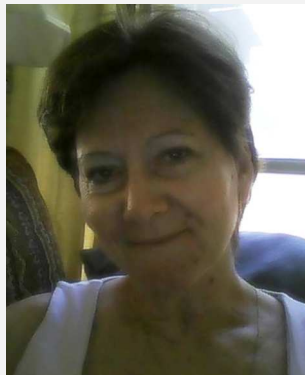

Now that the Post's officers are installed, it is time start the business of the new year and the fresh perspective of some of the new members of the board and we need to continue the momentum. There are several events already in the works for our 2015-2016 year and I will strive to continue to do great

things for our Veterans and this community. As mentioned in our installation people know Post 91 and we are on the map .

As we get rolling into this new year I will continue to look for volunteers, ideas and events so please feel free to contact me if interested.

Keep your eyes and ears open for our 4th of July celebration details and spending time together.

For God and our Country
Semper Fidelis
Mike Simon

Auxiliary Announcements

I am so excited to begin this term as Unit 91's Auxiliary President. I have had the opportunity to work with some wonderful, dedicated women this past year. I hope to continue this partnership in the coming year.

I am also looking forward to working with all of Post 91's entities. I have seen how the collaboration of the entire Post family makes us successful.

Watch for upcoming events. Our annual school drive will be happening next month.

Please attend our monthly meetings on the first Thursday of every month at 6:30pm.

For God and Country

S.A.L. Squadron 91 News

I would like to thank you for having me as your SAL Commander for 2015-2016. If you don't know me, I would like to give you a short biography about myself.

I was born on February 26, 1954 in Naha, Okinawa, Japan from my parents, Rosendo and Dorothy Ramirez, originally from the Philippines. My dad retired as a Master Sergeant from the U.S. Army at Fort Ord, California on November 19, 1963 with 27 years of service. He served during WWII, Korea and Viet Nam.

I grew up in Monterey, California, where I graduated from Seaside High School in 1972. Continuing my education

at Monterey Peninsula College and then receiving my bachelors degree in Electrical Engineering at California Polytechnic State University at San Luis Obispo, California. Having a lack of funds, I moved to Sunnyvale, California where I worked with several electronics companies focusing on electronic warfare systems for all the military services. I moved to Chandler, Arizona on January of 2004 and have lived here since.

I plan to continue to improve the status of The Sons' of the American Legion by supporting Post 91 in the many events and programs as scheduled. We also plan to support the Veterans and their programs that exist in the area. And as part of the agenda,

we will support Law Enforcement, Fire and Rescue, Children's' Sports and Needy Families. I hope the SAL/American Legion will be recognized in our community as a key contributor toward our charitable works.

While attending the recent State Convention, Squadron 91 was given two awards. The first was the "Kepler Memorial Award", for outstanding achievements in fund raising. And for raising the highest per capita in Arizona with the amount of \$137.00 per member. The second award was for achieving a 101.7% membership goal. I would also like to congratulate "Scooter" Bob Hath for being elected to

Legion Riders News

This will be my last article as President of the Legion Riders having served for eighteen months as President and six months as Vice President. I want to thank Commander Mike Simon, President Barbara White, Commander Aaron Beauvais and Bar Manager Tim Harvey for working with me in all our endeavors. And last but not least to our Legion Riders who always works hard to help out our veterans, and our community. You are a class act and are well respected among the Legion Riders of the Valley Of The Sun. It was an honor being your President. This past month we gave \$1,200 to the Missing In America Project, \$900 to send another WW2 veteran on the Honor

Flight to Washington D.C., \$600 to the Vets Store, \$500 to a veteran in need and \$100 to Unit 91 for school supplies for needy children.

The Legion Riders from Post 91 donated 223 hours of their time, rode 2,469 miles and spent \$297 of their personal money to help out charitable causes.
